

CVC-870EX

High Resolution Color Bullet Camera with HAD Technology & Auto-Iris Varifocal Lens

- Day/Night operation
- Sees in near darkness
- Pre-set Auto Exposure Settings
- Turbo AGC (Automatic Gain Control)
- Low smear level - prevents glare in dark conditions

Cable located in the mount

Speco Technologies' CVC-870EX is a weatherproof color bullet camera that features an auto iris varifocal lens and HAD technology. This camera boasts an ultra-high resolution picture, an adjustable varifocal lens and extreme low light sensitivity. With a steel grey weatherproof housing, this camera is suitable for indoor and outdoor applications. The mounting bracket protects the cable and is conduit compatible.

Applications

- Indoor & Outdoor-weatherproof
- Normal or extreme low light conditions
- Ceiling, surface or wall mount applications
- Where fine-tuning of camera coverage is necessary
